“Behold, Jesus Christ crucified, who is the only foundation of our hope; He is our mediator and advocate; the victim and sacrifice for our sins. He is goodness and patience itself; His mercy is moved by the tears of sinners, and He never refuses pardon and grace to those who ask it with a truly contrite and humbled heart.”

St. Charles Borromeo (1538-1584)

St. Charles, pray for us!

“He aquí a Jesucristo crucificado, quien es el único fundamento de nuestra esperanza; Él es nuestro mediador y abogado; la víctima y sacrificio por nuestros pecados. Él es la bondad y la paciencia personificadas; su misericordia se conmueve con las lágrimas de los pecadores, y nunca niega el perdón ni la gracia a quienes los piden con un corazón verdaderamente contrito y humillado.”

RESPECT LIFE TUSCAN "CHARM"

Lobbyists in Florida are promoting assisted suicide. The Florida End-of-Life Options Act was introduced in the legislature in February as announced on deathwithdignity.org. If activists have their way, we will be a vacation site for those who want to kill the old and infirm.

In North America, nine American States, D.C., and Canada have legalized euthanasia. A similar number of European countries also allow life-ending procedures. Now, Italy seems on the verge of joining this macabre cult. On February 11, the Tuscany Regional Council approved a bill on medically assisted suicide. "Cardinal Paolo Lojudice, Archbishop of Siena and president of the Tuscan Episcopal Conference, expressed his disappointment." (lifesitenews.com, 2/13/2025)

We must prepare for the good fight, and keep this out of Florida.

Abortions dropped in Florida during 2024 since the heartbeat bill became law in May, but we still see too many early medical abortions. Please spiritually adopt *Sebastian, Nora, and River*.

RESPECTAR LA VIDA "ENCANTO" TOSCANO

Los grupos de presión en Florida promueven el suicidio asistido. La Ley de Opciones para el Fin de la Vida de Florida se presentó en la legislatura en febrero, como se anunció en deathwithdignity.org. Si los activistas se salen con la suya, seremos un lugar de vacaciones para quienes desean matar a los ancianos y enfermos.

En Norteamérica, ocho estados, Washington D. C. y Canadá han legalizado la eutanasia. Un número similar de países europeos también permiten procedimientos para terminar con la vida. Ahora, Italia parece estar a punto de unirse a este macabro culto. El 11 de febrero, el Consejo Regional de Toscana aprobó un proyecto de ley sobre el suicidio médicamente asistido. «El cardenal Paolo Lojudice, arzobispo de Siena y presidente de la Conferencia Episcopal Toscana, expresó su decepción». (lifesitenews.com, 13/2/2025)

Debemos prepararnos para la buena lucha y mantener esto fuera de Florida.

Los abortos disminuyeron en Florida durante 2024 desde que se promulgó la ley sobre el latido del corazón en mayo, pero aún vemos demasiados abortos médicos tempranos. Por favor, adopte espiritualmente a *Sebastián, Nora y Río*.
